

News from
BRAMLEY COURT
CARE HOME

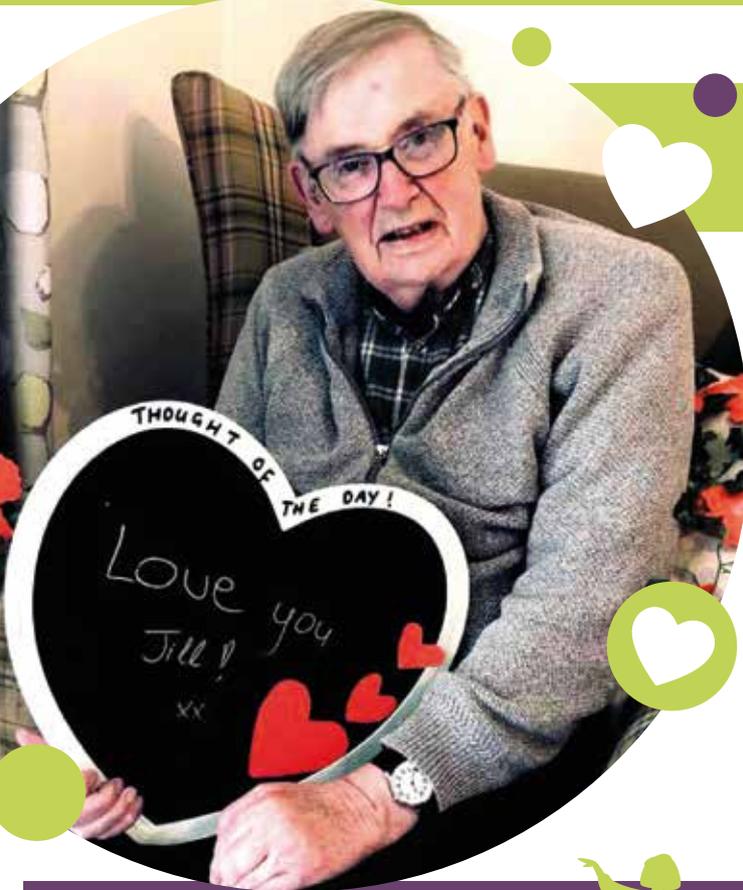

Dear Friends

As Spring dawns and the country slowly emerges from lockdown, we wanted to share with you the good times we have enjoyed so far this year.

Lots of love on Valentine's Day

Love is always in the air at Bramley, but never more so than on Valentine's Day when our residents enjoyed a delicious three-course meal beautifully crafted by our in-house chefs. It was the perfect opportunity to reminisce and give thanks, not just for the bonds we all share but for the friends and family members who are such a vital part of our happy home. We presented each of our ladies with their own bouquet of flowers and chocolates for the gents, which went down a treat! Then we then set our residents up with their very own Valentine's photoshoot so we could send heartwarming photos to their loved ones along with handwritten notes. A truly touching experience!

Sweet treats and workouts

The first few months of 2021 have brought plenty of fun for our residents. In February, everyone took a turn to master the art of pancake flipping for National Pancake Day after which we indulged in some delicious toppings and creative combinations! Then to balance out the sweet treats, our residents headed to the new Bramley Gym - the latest addition to our famous Bramley Village! We are so excited that in addition to our residents' bespoke daily exercise programme, we now have a gym kitted out with all the equipment needed for a challenging workout under the expert guidance of our trusted trainers.

A marvellous Mother's Day

This Mother's Day we thoroughly pampered the ladies of Bramley Court! The day began with a relaxing morning, where each resident received flowers and opened cards and gifts from their children and grandchildren. Our team members adorned the dining room with beautiful Mother's Day blooms and balloons, ready for a lively concert from The Banjo Man! Then everyone settled down for a toe-tapping afternoon and a few celebratory tipples. It certainly was a Sunday Funday!

A very happy Easter for all

Our Easter celebrations lasted all week long to the delight of our residents who had a great time playing themed party games and making Easter crafts. On Easter Sunday itself, the Easter bunny made a special guest appearance for an afternoon of relaxing pet therapy. Of course, Easter isn't complete without chocolate, so our team ensured everyone received a delicious chocolate egg delivered by our Bramley Bunnies with a hug and a smile!

With love,
Lisa Houghton
