

News from
BRAMLEY COURT
CARE HOME

Dear friends

A new season is here and our home feels bright and vibrant! Here is a little peek into our fun spring adventures!

Valentine's Day

Love was in the air this Valentine's Day when our team members and residents came together to celebrate our nearest and dearest at Bramley Court. In the morning we set off on our rounds handing out paper roses with a delicious chocolate bud in the centre! Then our residents enjoyed a little tippie while we filled our dining room with love heart balloons, creating the perfect atmosphere for a glorious afternoon tea of scones with clotted cream and jam. As the party got underway, everyone had a great time posing for photos and sharing stories of those closest to their hearts.

A spring in our step

There is no denying, spring is here! These last few weeks we have been enjoying lots of time in the garden, sitting underneath the cherry blossom trees as they snow petals on us! We have been busy planting seeds for summer and re-potting blooms so that we now have lots of colourful daffodils in every room. There's also been lots of lively entertainment, like when our exercise class descended into fits of giggles as our ladies staged a dance off, and when we hosted our very own silent disco where everyone had a boogie to their favourite music. Never a dull moment!

Mother's Day

We had a marvellous time celebrating the mothers amongst us this Mothering Sunday. We started the day by showering our ladies with gifts from their loved ones. Then we presented them each with a present from the Bramley family; their favourite plant which they can display and tend to in their own room. It was wonderful to see so many colourful flowers, Bramley Court looked like a garden centre by the time we had finished! Then in the afternoon everyone gathered to share a meal lovingly prepared by our talented chef team - the perfect way to end the day!

Easter celebrations

Our residents had a great time welcoming Easter to Bramley Court. In the run-up to the big weekend we got creative making all manner of Easter crafts! On Easter Sunday itself some of us gathered for a private church service in the morning before our whole home came together for a sumptuous Easter lunch. Our residents were delighted when we had a special visit from The Easter Bunny who went on her rounds handing out chocolate eggs to everybody before we settled down for a fabulous live performance. We ended our wonderful weekend by playing lots of Easter themed games and sharing lots of laughter. We had a cracking time!

With love,
Judith Wroe
